(Ord. 11-05 § 1 (part), 2005)

**5.28.100 Maintenance of regulated vehicles.**

Every regulated vehicle licensed pursuant to this chapter shall be properly maintained and equipped at all times in accordance with the manufacturer's recommendations and the standards and regulations of the New Jersey State Motor Vehicles and Traffic Regulation Act and shall further comply with the following additional requirements:

A. The interior shall be clean and sanitary, meaning that the upholstery and carpeting shall be reasonably free from debris, tears, holes, cuts and stains. Maintaining the regulated vehicle in a sanitary condition means keeping the regulated vehicle free from defects which could adversely affect the health of passengers, such as the presence of volatile fumes, spoiled food or garbage, blood stains or any other items which could affect the health of passengers or the driver.

B. All doors shall open easily and close firmly. This provision requires the immediate repair of doors which cannot be closed by the standard handle for such door (i.e., closing the door with a piece of rope or wire). Furthermore, the door must not be able to be opened without using the door handle, and all locks on the vehicle must operate such as to prohibit the opening of any door while the lock is engaged.

damage on any portion of the regulated vehicle, including bumpers and any other exterior facets.

F. Each regulated vehicle in operation must be kept in proper operating condition at all times, including but not limited to a properly functioning muffler and emissions system, a clear and undamaged windshield and windows (no tinting of rear windows shall be permitted after July 1, 2004). The police department of the township of Mine Hill may request an inspection or emissions test for any regulated vehicle if, in its sole discretion, cause exists to believe such regulated vehicle is not in compliance with the maintenance requirements set forth in this section.

G. Upon application for a regulated vehicle license or upon application for renewal of a license, a member of the Mine Hill township police department shall inspect each regulated vehicle for any violations of the requirements of this chapter. If any violations are found, the police department shall inform the township clerk that no license should be issued on the applicant's vehicle. Under such circumstances, the police department will inform the applicant what repairs need to be completed before issuance of a license can occur. In no way should the provisions of this chapter be interpreted as to prohibit an applicant from having a previously rejected vehicle reinspected after the required repairs are completed. An applicant aggrieved by any provisions of this section has an immediate right of appeal to the township council. (Ord. 11-05 § 1 (part), 2005)

**5.28.110 Schedule of fares.**

A. The schedule of fares shall be prominently posted in each regulated vehicle and shall be posted and available at all business offices.

B. The fare to be charged for the transportation of passengers to a location or at a distance not stated in the schedule of fares must be clearly agreed upon with all passengers prior to leaving the pick-up location. (Ord. 11-05 § 1 (part), 2005)

**5.28.120 Record of trips.**

The drivers of all regulated vehicles must keep a written record of each trip, including the date and

exact time the trip commenced and ended and the number of passengers carried. Trip records must be maintained by the operator for at least one year and must be made available for inspection by the police department of the borough of Wharton or any other law enforcement agency upon request. (Ord. 11-05 § 1 (part), 2005)

**5.28.130 Traffic regulations and limitation on solicitation.**

A. All drivers will be held fully responsible for compliance with all traffic, parking and safety regulations on the road. In addition, all passengers will be required to enter and exit all regulated vehicles through the door or doors closest to the curb where such passengers are waiting for pick-up or are being dropped off.

B. Regulated vehicles that are registered with the state as limousines shall not be allowed to solicit fares on the road and may only pick up passengers who have prearranged such limousine transportation by telephone. (Ord. 11-05 § 1 (part), 2005)

**5.28.140 Refusal to issue license—  
Suspension or revocation.**

The township council may refuse to issue a license or suspend any license or revoke any license after notice and hearing if:

- A. This chapter is violated in any particular;
- B. The operator or driver has been convicted of a felony, misdemeanor or a significant violation of Title 39 of the Revised Statutes of New Jersey;
- C. The driver fails to render reasonably prompt and adequate service while driving a regulated vehicle, has contributed to injury to person or property, or for other good cause;
- D. The regulated vehicle has become unsafe or unsanitary, or the policy of insurance provided for in this chapter has been allowed to lapse and no substitute has been furnished prior to the effective date of such lapse. (Ord. 11-05 § 1 (part), 2005)

**5.28.150 Violations and penalties.**
