OLD & NEW BUSINESS

a. Paul Sterbenz’s Summary of 2015 and Forecast for 2016

Mr. Sterbenz emailed an update for the Board’s review. He noted that in 2015, the Board did the following:

1. “Adopted a Master Plan Reexamination Report.”
2. “Reviewed a number of ordinances that were referred to the Board from the Governing Body, including Ordinances that resulted from the Master Plan Reexamination Report.”
3. “Reviewed and acted upon a number of land use applications.”

Mr. Sterbenz’s Forecast for 2016 included the following:

1. “One of the most important issues that the Board will deal with in early 2016 will be the preparation and approval of a Housing Element and Fair Share Plan. This document is needed to address how the Township will address its affordable housing obligations. The Township will be able to prepare its plan in the near future after the Township becomes part of the Shared Services Agreement between approximately 250 municipalities that are working on addressing its obligations collectively and a report that is being prepared for the Shared Services communities is released by a consultant. I anticipate that the Board will have to deal with and conduct a hearing on the plan in the first quarter of 2016.” Mayor Morris clarified this for the Board.
2. “There will certainly be applications that the Board will have to review in 2016. I am not aware of any specific applications but there will be review work for the Board.”
3. “There will probably be some ordinances referred to the Board by the Township Council again in 2016.”
4. “The Board will also need to prepare in early 2016 its annual report for the Governing Body pursuant to the MLUL.”
