Dear Applicant,

Thank you for your interest in booking the Mine Hill Civic Center. In order to process your request we will need your facilities use request form with the complete set of date(s), the hold harmless agreement completed and signed. Without completing the forms in their entirety will cause a delay or denial of your request until all the documents are received by the Township.

The facilities are booked on a first come first served basis. We do not hold rooms without a completed request. This form, including all pages, filled in, along with the hold harmless agreement should be submitted to the Director of Community Programs at least 3 weeks in advance of the event.

The schedule coordinator will E-mail a confirmation of your reservation. The Township of Mine Hill will permit the use of the Township facilities when such permission has been requested in writing and has been approved.

If you do not hear back within a week from date the document was sent please follow up to ensure that the document was received by the Township.

The civic center is a "Leave no Trace" facility. Therefore you must clean up the civic center after use. Failure to not clean up, damage the facilities, leave the doors unlocked, lights on etc., will be grounds for refusal for future use or additional fees imposed as seen fit by the Township.

Once you have received your confirmation letter you must pick up a key the day of your event or the Friday before your event during business hours which are Monday through Friday from 9:00 AM or 4:30 PM.

If you have any questions regarding the civic center please feel free to contact me directly.

Sincerely,

Katelyn Wild
